Hello Sir/Madam,

I have majorly used ChatGPT and Google for doing research on these topic. Brainstorming the collected information and interpreting the contents using ChatGPT. It is really new topic for me but learn lot of things about Email marketing ,SEO, Inmail Marketing. This type of assignment will give idea about brain storming about the topic. Hope for more such projects from you. I may be new to this topic but in future I won't make you to feel that I am new for sure.
